About The Domestic Violence Service Center

The Domestic Violence Service Center has been providing supportive services to victims of domestic violence and their families throughout Luzerne and Carbon Counties for 42 years. According to the Pennsylvania Coalition Against Domestic Violence Fatality Report, Luzerne County is currently ranked fifth among the 67 counties in PA with the most domestic violence fatalities since 2006. Domestic violence is the County's second highest homicide cause.

The services that DVSC provides include 24-hour hotlines for information and referrals, crisis intervention, support and follow-up counseling, educational and life skills programs, advocacy with other agencies, Protection From Abuse orders, civil legal representation, children's program activities, parenting classes, community and professional education programs, an emergency shelter and a transitional housing program for victims and their children.

Your participation in our 11th Annual Golf Tournament will help us to continue in our mission of the elimination of domestic violence, and will allow us to continue to assist victims who so desperately need our help.

We look forward to seeing you at the picturesque Blue Ridge Trail Golf Course in Mountain Top on Friday, May 11th, 2018.
