

About Domestic Violence Service Center

Domestic Violence Service Center has been providing supportive services to victims of domestic violence and their families right here in our communities; Luzerne and Carbon Counties for nearly five decades.

According to the Pennsylvania Coalition Against Domestic Violence Fatality Report, Luzerne County is ranked fourth among the 67 counties in Pennsylvania as having the most domestic violence fatalities. Tragically, in Luzerne county domestic violence ranks as the second cause of homicide in these counties.

At DVSC we want to prevent these incidents from occurring in our communities. Our services include 24 hour, seven day a week hotline for information and immediate crisis intervention for domestic violence victims. We assist our clients with civil legal representation, Protection From Abuse Orders as well as advocacy with other agencies.

DVSC also provides several supportive services including children's programming, parenting classes, educational, professional and life skills programs, emergency shelter and transitional housing for victims of abuse and their children.

Your engagement in the 14th annual Golf Tournament will continue to guide us on our mission to eliminate domestic violence in our communities and help victims who need urgent assistance.

We hope to see you at the picturesque **Blue Ridge Trail Golf Course in Mountain Top, PA on Friday, May 6th, 2022!**
